## FSU’s Theatre and Dance Department Presents Fall Dance Concert

FSU’s Department of Theatre and Dance will present its annual fall Dance Concert on **Oct. 28, 29 and 30** at 7:30 p.m. in the Performing Arts Center’s Drama Theatre.

The concert will feature eight uniquely choreographed performances, with styles ranging from ballet to hip hop to jazz. Two seniors, **Kira Stanley** and **Ellen Bell**, will dance their final concerts. Stanley choreographed and will dance a contemporary solo exposing a woman who is tired of playing the games of love. Bell created a contemporary modern dance-inspired choreography depicting the hardships, frustrations and anger that one goes through in a relationship. The piece explores anger between two people, anger toward each other and self-

reflection during the troubling moments.

Dance Company director **Jamie McGreevy** choreographed another original piece depicting the battles for earth among the Goddesses of Wind, Fire and Water. This modern contemporary piece explores the paradigm of micro-movement, inner-

body tensions and finding the anti-habitual body.

**Elizabeth Collins** choreographed a jazz piece for the concert and **Keont’a McMiller** choreographed a ballet. **Rita Peacock’s** piece includes hip hop, jazz and lyrical movement; the piece by **Samantha Flowers** and **Brieana Jordan** will be accompanied by the inspiring words of Maya Angelou. Senior **Brieana Jordan** and dancers **Jay Moultrie** and **Sylvern Groomes** will perform an upbeat hip-hop piece to the music of Missy Elliott.

Tickets for the fall Dance Concert are \$6 for students and \$12 for the general public. For info, call the Theatre and Dance box office at x7462, Monday through Friday, from 9 a.m. to 12:30 p.m. and 1:30 to 4 p.m.

### Presentations

#### Petrocelli Returns

Bobby Petrocelli will return to FSU to present his motivational speech, “10 Seconds Can Change Your Life,”

**Wednesday, Oct. 20**, at 7 p.m. in FSU’s Performing Arts Center.

Petrocelli has traveled extensively, sharing his inspirational message and life experiences to motivate and empower crowds all over the United States. The title of his speech comes from the 10 seconds that changed his own life: the night he awoke to find that a drunken driver had driven a truck through his bedroom wall, killing his wife. Since then, Petrocelli has taken this dreadful event and turned it into an inspiring speech on life and its fragility.

This will be Petrocelli’s 14th appearance at FSU. His speech is sponsored by the BURG Peer Education Network and is free and open to the public. For info, call the SAFE office at x4761.

### ‘The Value of Conflict’

FSU and the Allegany Conflict Resolution Center will celebrate National Conflict Resolution Day on **Thursday, Oct. 21**, with a presentation at 6 p.m. in the Leake Room at the Cordts PE Center. The event, part of a Leadership Workshop Series at FSU, is free and open to the public.

The presentations will bring the campus and local community together to learn about “The Value of Conflict.” Students from **Dr. Elesha L. Ruminski’s** CMST 345/Conflict Management class are organizing, promoting and presenting the event with ACRC. The students will provide an interactive overview of what conflict is, why it is valuable to face

rather than avoid it and basic strategies and resources for managing conflict. A proclamation designating “Conflict Resolution Day” in the City of Frostburg will be read.

Ruminski, chair and assistant professor of Communication Studies and co-coordinator of Leadership Studies at FSU, serves as the president of the board of directors for ACRC. ACRC, with nearly 20 other community mediation centers in Maryland, provides free and low-cost conflict resolution services, including mediation of family, neighborhood and business conflicts, and training and education about conflict resolution. The centers are all members of the statewide organization, Community Mediation Maryland.

Community mediation has been found to be successful at resolving conflicts and improving relationships. It also saves public resources by decreasing repeat calls to the police and decreasing the use of criminal and civil courts. A Basic Mediation Training is tentatively planned for spring. The center is recruiting participants for the unique 50-hour training program.

For info on the event or about volunteering with ACRC, contact Ruminski at [elruminski@frostburg.edu](mailto:elruminski@frostburg.edu) or x4480. For info about using community mediation, contact ACRC at 240-727-0408 or [conflictresolutioncenter@allconet.org](mailto:conflictresolutioncenter@allconet.org). Info is also available at [www.marylandmediation.org](http://www.marylandmediation.org).

## Take Note

### 687-STOP Tip Line

FSU has created a tip line for students, faculty, staff and members of the community to use anonymously to provide information about crimes, disturbances or other issues of concern. The tip line, 301-687-STOP, initiated by the students in the President’s Leadership Circle, was implemented at the beginning of the fall 2010 semester.

On calling the tip line, the caller will listen to a recorded message for instructions and be directed to leave a message containing the information he or she wishes to share. Exactly five minutes after a message is recorded, the message is automatically sent to FSU Central Communications to be routed immediately to the appropriate office. The messages are anonymous, without numbers or names.

687-STOP was created to give complete anonymity to those leaving tips. Callers are still welcome to contact University Police or other offices directly.

For info, contact the Office of Leadership and Community Engagement at x4210, or University Police at the non-emergency number, x4223, or [police@frostburg.edu](mailto:police@frostburg.edu).

## FSU Celebrates Women in Sports

FSU will showcase women’s sports achievement with “Celebrating Women in Sports” on **Monday, Oct. 18**, at 6:30 p.m. in Compton 224.

**Jessica O’Neil**, an FSU student and member of the FSU Cross Country and Track teams, initiated, coordinated and organized this panel discussion to showcase women’s sports achievements and highlight actions needed for promoting gender equality in sports.

The panel discussion will be followed by a question-and-answer session and an opportunity for one-on-one interactions with the participants. This presentation is free and open to the public.

The event is sponsored by the FSU Student Government Association, Queen City Striders, the FSU Student-Athlete Advisory Committee and the FSU Women’s Studies Program.
